"Untold Agony from Catarrh." Prof. W. Hausnen, the famous mesmerist, of Ithaca, N. Y., writes: Some ten years ago I suffered untold agony from chror's masal catarrh. Aly family physician gave me up as incurable, and said I must die. M. es was such a bad one, that every day, towards samet, my voice would become so hourse I could barely speak above a whisper. In the morning my coughing and clearing of my threat would almost strangle me. By the use of Dr. Sage's Catarrh Hemedy, in three months, I was a well man, and the cure has been permanent."

Constantly Hawking and Spitting."

Thomas J. Rushing, Esq., 2002 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

A complete Treatise on Catarrh, giving valu-ble hints as to clothing, diet and other matters f importance, will be mailed, post-paid to any ddress, on reselpt of a two-cent postage stamp.

Resolved That this committee reaffirms the State and National Republican piatform of 1888 including the declaration that "the Republican party is in favor of the use of both gol and sliver as money" and that it "condemns all effort to demonstize sliver."

Resolved. That the personent neglect of Secretary Wildom to increase the coinage of silver to the maximum of four libion dollars per month, coupled with his attempt to influence Congressional legislation so as to perpetuate silver demonetization, is a shameless violation of the silver plank of the National Republican platform, an act of teaty perfidy that should call for his retirement from the councist of an A ministration which is pleiged to help and not to him for the remone iz ation of silver.
